

30. LEIBNIZ CONFERENCE OF ADVANCED SCIENCE

70 Years DNA - Era of Translation

55 Years RNA, 40 Years PCR, 20 Years Primary Sequence Human Genome

Friday, 6. October 2023

Seminaris CampusHotel
Takustr. 89, 14195 Berlin

in cooperation with

- INVITATION -

Friday, 6. October

Under the patronage of the Berlin Senator for Science, Health and Care, Dr. Ina Czyborra

Leibniz-Institut für Interdisziplinäre Studien (LIFIS e.V.) und DNA24.net
30. Leibniz Conference of Advanced Science

„70 Years of DNA - The Era of Translation“
55 years RNA, 40 years PCR, 20 years primary sequence of human genome

6. October 2023
9:00am - 8:00pm

Seminaris Campus Hotel
Takustr. 89, 14195 Berlin-Dahlem

Part 1: Evolution of Genomes
Part 2: Diversity of RNA
Part 3: Modern DNA Analytics
Part 4: Medical DNA Technology

INFOS + REGISTRATION

Thursday, 05. October 2023

16-18 h Satellite Workshop on Diagnostics „Labs of Future – Future of Labs“
(Start-Up-Villa der FU Berlin, Altensteinstraße 40, 14195 Berlin-Dahlem,
separate registration required!)

From 19 h Welcome-Evening (separate registration required,
Seminaris Campus Hotel, Takustrasse 84, 14195 Berlin)

20h Plenary Lecture

Peter Spork, Science journalist and bestselling author
„The second code. How epigenetics is changing the way we look at our health“ (in German)
